WIM Global Ltd.

INTRODUCTION

WIM Global Ltd Consisting of skilled and well experienced management team having decades of experience in procurement and supplying of industrial materials. State of the Art integration and stock inventory sharing with many of stockiest allowing WIM Global Ltd to cater the URGENT requirements from the projects sites.

WIM Global Ltd laid the foundation at the dawn of an age in which the ***Petroleum, Heavy & Light Industries*** would flourish like never before, we are catering the critical and urgent requirements with expanding our horizons to serve ***Petrochemical Plant, Heavy & Light Mechanical Industries, Drilling Companies, Construction companies, Oil & Gas Field Projects*** and beyond.

WIM Global Ltd are supplying the approved products from the well know manufacturers around the world for ***Oil & Gas Industrial Equipment, Drilling, Mechanical, Electrical & Safety equipment.***

In a rapid changing industry, we have strived to provide matchless & superior customer services to fulfill customer's requirements. This simple concept is our mission.

We Are Supplying Below Categories Of Materials.

- **Drilling & Down The Hole Tools**:
  Drill Pipe, Heavy Weight Drill Pipes, Drill Collars, Casings, Reamers, Stabilizers, Lifting Subs & Accessories.

- **Mechanical:**
  Pipes (CS, SS, CU & Special Alloy Materials), Tubes, Fittings (All Grades), Flanges (All Grades), Valves (Powered & Non Powered), Sheets (All Grades), Coils, Bars, Bolts & Gaskets.

- **Electrical Supplies:**
  Cable (Control Cable & Fiber Optic) Transformers, Switches, Gearbox, Circuit Breakers, Electrical Fittings & Lightning Equipment.

- **Safety equipment:**
  Fire Extinguishers, Fire Hose Reels, Hose Cabinets, Fittings & Personal Safety equipment.

- **General Trading:**
  Machinery Spare Parts, ***Grainger, McMaster Products*** & Overseas Importing as per Customer Requirements.

WIM Global Ltd.

Industrial Spare Parts

We can supply A wide range of instrumentation and process measurement products from Megger, Druck, Programma, Ametek Jofra, Foxboro (Invensys), Extech, Ralston, Flir and all types of electrical and hazardous area equipment from ABB, Siemens, Schneider Electric, R. Stahl, Ceag, Crouse Hinds, Appleton, Danfoss, SIBA, Legrand, Tranberg, ATX, Raychem and a Huge selection of pneumatic and hydraulic products.

Mechanical Items, Copper Nickel Alloys & Drilling Equipments

Offering procurement of wide range of Pipe, Fittings, Flanges, Valves, Mechanical Couplings, Piping Systems, Steel Section,Steel Grating. Complete valve range covers Gate, Globe, Check, Ball, and Butterfly Valves. We can offer these products in a range of materials, from Carbon steel and stainless steel, to copper nickel, duplex.

Supplying Industrial Materials

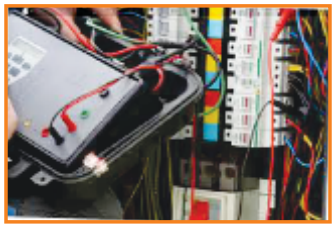

Aux Plant Equipments •Machinery Accessories and Transmissions•Shaft/Mech Seals •Field Instrumentation •Control Systems & Spares •Field Instrumentation -Flow •Field Instrumentation - Level•Field Instrumentation -Temperature •Control Valves (Non-GE)•General Workhop Equipment •Electrical & Power Components•Electric Motors• Electric Cables & Wires• Hoses & Connectors•Actuators•Function Fittings•Compression fittings •Adapter & Manifolds• Quick-Acting Couplers

WIM Global Ltd.

INDUSTRIAL SPARE PARTS

▶ELECTRICAL SPARE PARTS.

We can supply all types of electrical & hazardous area equipment from ABB, Siemens, Schneider Electric, R. Stahl, Ceag, Crouse Hinds, Appleton, Danfoss, SIBA, Legrand, Tranberg, ATX, Raychem

▶MECHANICAL SPARE PARTS.

With our mechanical spare parts, we have provided business partners with a vast range of items, including:

- Fuel & gas nozzles
- Burners, such as fuel oil burners
- Combustion chambers
- Insert rings for hybrid burners
- Sealing-divided rings
- Bypass and stop valves
- Actuators
- Gear boxes
- Journal bearings
- Pumps and compressors
- Tubes, fin-tubes and Air preheater baskets of boilers.

▶INSTRUMENTATION:

A wide range of instrumentation and process measurement products from Megger, Druck, Programma, Ametek Jofra, Foxboro (Invensys), Extech, Ralston, Flir and many more.

▶PNEUMATIC & HYDRAULIC:

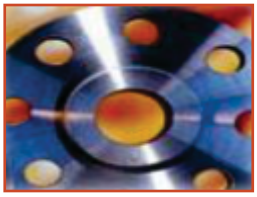

Huge selection of pneumatic and hydraulic products from Norgren, Atlas Copco, Compair, Rexroth, MP Filtri, Hydac, Pall Hydraulic Filters, Hilliard, Kaydon and many more.

PIPE & FITTINGS

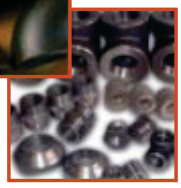

Products - Pipes & Tubes

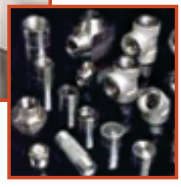

1. **Carbon Steel Pipes High Temperature or Low (Seamless & Welded)**
   - ▶ **Standard:** ASTM A53 GR.B, A106 GR.B API 5LX GRB API 5LX
   - ▶ **Schedule:** 20, 30, 40, 60, 80, 120, 160, XXH & STD.
   - ▶ **Finish:** Black & Galvanized ▶ **Size:** "1/4" up to 60" dia
2. **Welded (ERW) Pipes ASTM A120 A53 GR.A/B SCH. 20 & 40**
   - ▶ **Size:** "1/2" up to 40"
3. **Welded (ERW) Pipes ASTM A312 Stainless Steel**
   - ▶ **Standard:** ASTM A312
   - ▶ **Type:** 304, 304L, 316, 316L
   - ▶ **Schedule:** 10, 20, 30, 40, 80, 120, 160 & XXH
   - ▶ **Thickness:** .035", .049", .065", .083"
   - ▶ **Tubes:** 1mm, 1.5mm, 2mm, 3mm
   - ▶ **Size:** "1/4" up to 16"

Products - Fittings

1. **Carbon Steel & Galvanized Buttweld Fittings Acc. To ASTM A234 WPB, ANSI B16.9, ASTM A420-WPL3 & ASTM A420-WPL6**
   - ▶ **Schedule:** 10, 20, 40, 60, 80, 120, 160 & XXH
   - ▶ **Size:** "1/2" up to 60"
2. **Forged Fittings, Screwed & Socket Weld, Acc. To ASTM A350-LF2 & ASTM, A350-LF3 & A105**
   - ▶ **Class:** #150, #2000, #3000, #6000"
   - ▶ **Size:** "1/8" up to 4"
3. **Stainless Steel Butt-Weld Fittings Acc. To ASTM A403 ANSI B16.9**
   - ▶ **Type:** 304, 304L, 316, 316L
   - ▶ **Schedule:** 10, 20, 40, 80, 120, XXH
   - ▶ **Size:** "1/8" to 36"
   - ▶ **Thickness:** .035", .049", .065", .083"
4. **Forged Stainless Steel Fittings Acc. To ASTM A182**
   - ▶ **Class:** #2000, #3000, #6000
   - ▶ **Type:** 304, 304L, 316, 316L
   - ▶ **Comment:** Available in screwed and socket weld
5. **Malleable Iron Fittings**
   - ▶ **Finish:** Black/Galvanized
6. **Compression Fittings SS316, Brass, Monel, Cast Alloy, SS20 & Many Other Alloys**
   - ▶ **Pressure Rating:** 3000 PSI for Brass and 5000 PSI for SS316

WIM Global Ltd.

• Electric Drives & Controls

When it comes to automation, we're your most reliable partner! Thanks to the most high-performance CNC and Motion Control on the market, we ensure maximum performance of your machines and set the standard for Servo Drives. we are already implementing system solutions thru many of our reputable manufacturers to make your machines future-proof for the Internet of Things. we guarantee you'll get the maximum productivity out of your application. Our many years of experience and passion for automation enable us to develop the factory of the future for you more and more each day.

• Gear Technology

Wide selection of planetary gearboxes for the whole range of mobile applications Planetary gearboxes are used as propel drives in tracked vehicles or as wheel drives in wheeled vehicles as well as swing drives for rotary motion & as winch drives for lifting and lowering loads. The planetary gearboxes have two, three or more planetary stages. They are available with a number of different hydraulic motor variants.

• Industrial Hydraulics

The Future of Hydraulics Begins Connected Hydraulics will leverage the power and intelligence of manufacturer's advanced hydraulics technology to break through limits and set new benchmarks for performance, functionality and lifetime.

• Linear Motion Systems

Linear motion systems are precise, ready-to-install guide and drive systems with high performance features in compact dimensions. Owing to the diverse number of variants, they are used in many industry sectors.

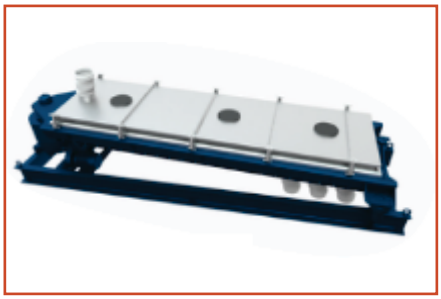

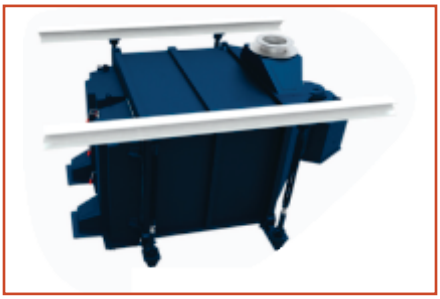

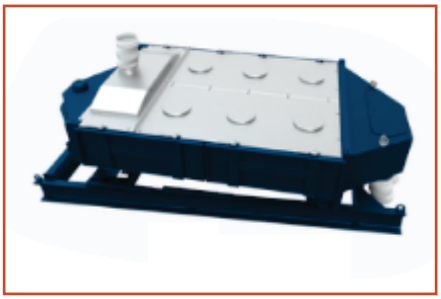

- Linear axes
- Drive units
- Compact Modules
- Motor mounting kits

HIGH PERFORMANCE SCREENERS

MINERALS SEPARATOR

Minerals Separator provide unmatched industrial screening for high-volume applications requiring extremely accurate separations. These multilevel separators feature unique stacked designs for smaller footprints and were engineered to withstand the harshest of conditions.

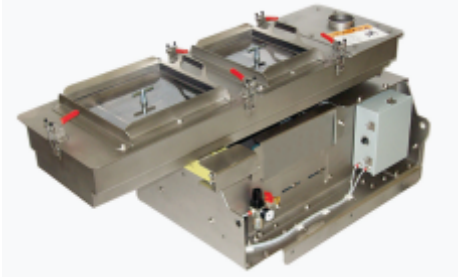

MEGA GRAIN CLEANER

The MEGA Grain Cleaner processes high volumes of agricultural materials that would overwhelm a conventional grain cleaner. It features aspiration doors and abrasion-resistant liners.

PLASTIC PELLET SCREENER

The competitively priced Plastic Pellet Screener accurately removes off-size material with a quick and easy setup between batches. The machine can be floor-mounted, stand-elevated or wheeled.

Scalping & de-dusting

The cost-effective Direct Drive Feeder (and conveyor) meets all the process requirements of bulk handling industries & can be configured horizontally or inclined to fit your exact floor space.

SAFETY EQUIPMENT

FIRE HOSE REEL & CABINET

A wide range of effective Fire Hose Reel & Fire Hose Rack Cabinet. All fire hose cabinet as well as sheet-made parts are: constructed from Hot Rolled Steel (FRS),with all around folded edges, even Hose reel edges are curled to assure the assure the safe handling. Fire Cabinets are fabricated with Metal insert Gas Welding process, then, they are pretreated to improve the surface finishing, after wards, they are electrostatically painted by using red polyester resin paint before being baked in the oven to give a hard wearing resistance, and a gloss finish. Except for Foam/Water Cabinets all Fire Hose Reel Cabinet are available in three types:

- Surface-mounted
- Semi-recessed
- Recessed

AUTOMATIC FIRE FIGHTING PUMP SETS

Standard Features of an automatic Pump set:

- One electrical, one diesel & one
- Jockey Pump
- Control Panel Auto-Manual to protect & operate the set.
- Automatic Battery Charger.
- Related fittings accessories.
- Common fabricated steel base frame.
- Option: Pressure Tank.

Hearing Protection Products

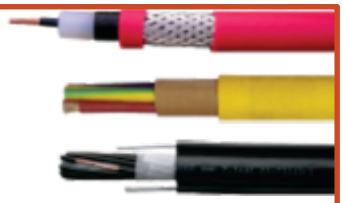

3M offers a wide variety of solutions to help reduce noise exposure.
A full line of comfortable, easy-to-use hearing protectors, including ear plugs, ear muffs, & banded hearing protectors are available from 3m.

CONNECTING-TRANSMITTING-CONTROL

A widest range of products,electric cables that meet the highest standards quality requirements, to the highest standards various types (IEC, NFC, DIN, VDE, UL-CSA, BS, NBN)

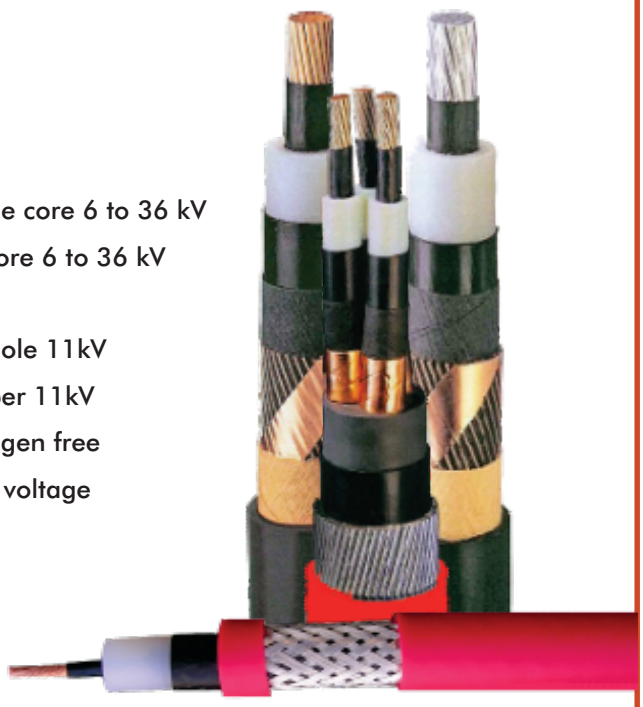

Instrumentation, telephone, coaxial, LAN cables

NF M87-202	:Instrumentation / French standard
BS 5308 type 1	:Instrumentation / British Standard
RE-2Y(St)Yv	:Instrumentation / DIN VDE standard
RE-2X(St)Yv FR	:Instrum. DIN VDE + EN 20288-7 / Fire Retardant
BS5308 ty-1 LSZH-FR	:Instrum. BS 5308 + EN50288-7 / Fire Retardant
SYT-Num	:Telephone cables: Reinforced telephone cables
SYT2-	:Submersible telephone cables
A-2YF(L)2Y	:Coaxial cables
Coax. 21Vatca	
U/UTP F/UTP	:LAN cables

Middle voltage cables

NF C33-226	NA2XS2Y	:Aluminium single core 6 to 36 kV
N2XSY	N2XS2Y	:Copper single core 6 to 36 kV
RG7H1R		
N2XSEY		: Copper three-pole 11kV
BS6622 single core	BS6622 3-pole	: Armoured copper 11kV
BS 7835		: Armoured Halogen free
Feltoflex	NTMCWÖU	: Flexible middle voltage
CIC-DRUM MT	2GTL (silicon)	

WIM Global Ltd.

For Industrial Supplies & Global Procurement Solutions

We as Project Procurement Management Consultants to create a long terms relationships with Manufacturers / Vendors and End Users for Goods and Services required to complete the project in-time by Initiating and Planning, Selecting, Contracts, Monitoring, and Completion. We offer a comprehensive range of Standard Components as well as Specials in a selection of materials at a competitive price. Specialized services are offered to customers in various aspects.
